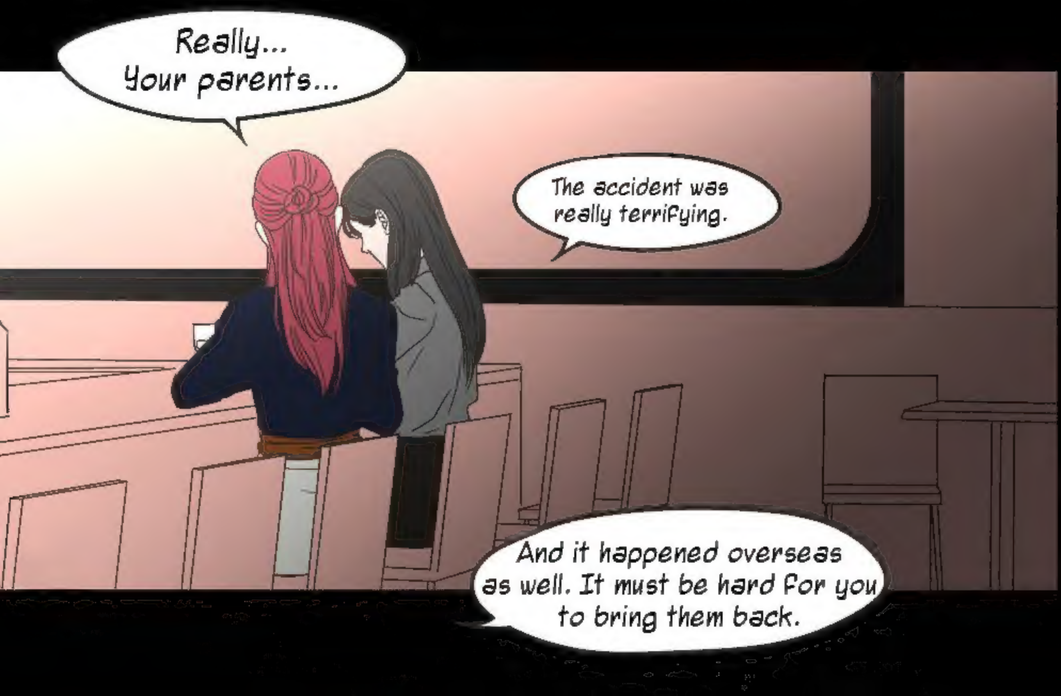
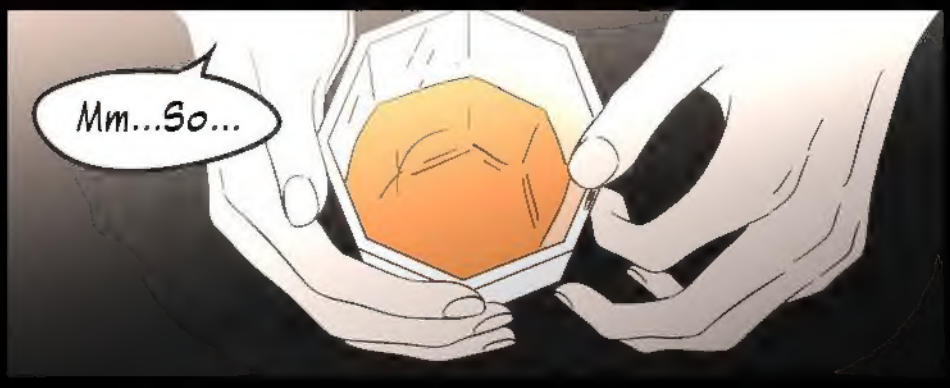
What does the fox say?

CHAPTER 12

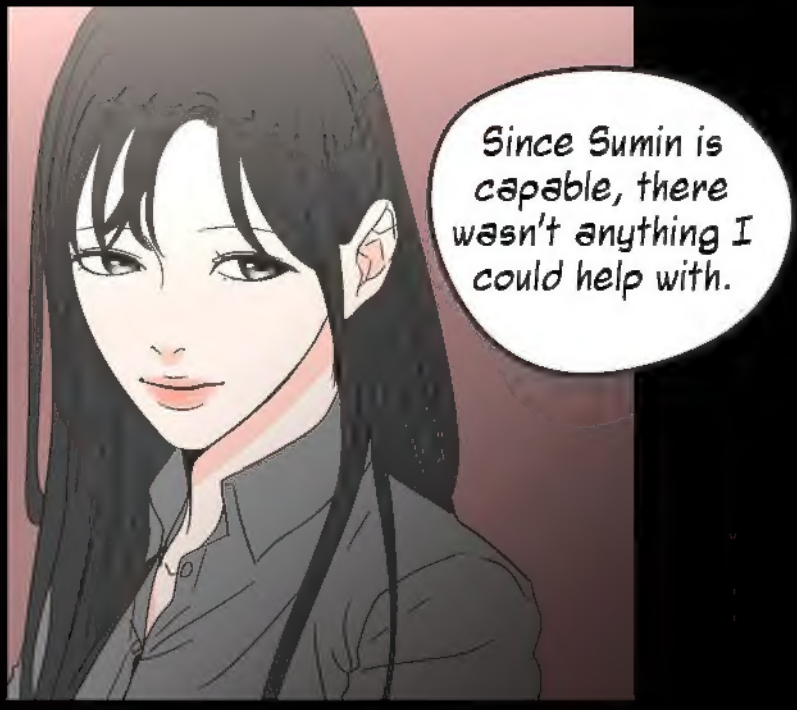


Really... Your parents...
The accident was really terrifying.
And it happened overseas as well. It must be hard for you to bring them back.

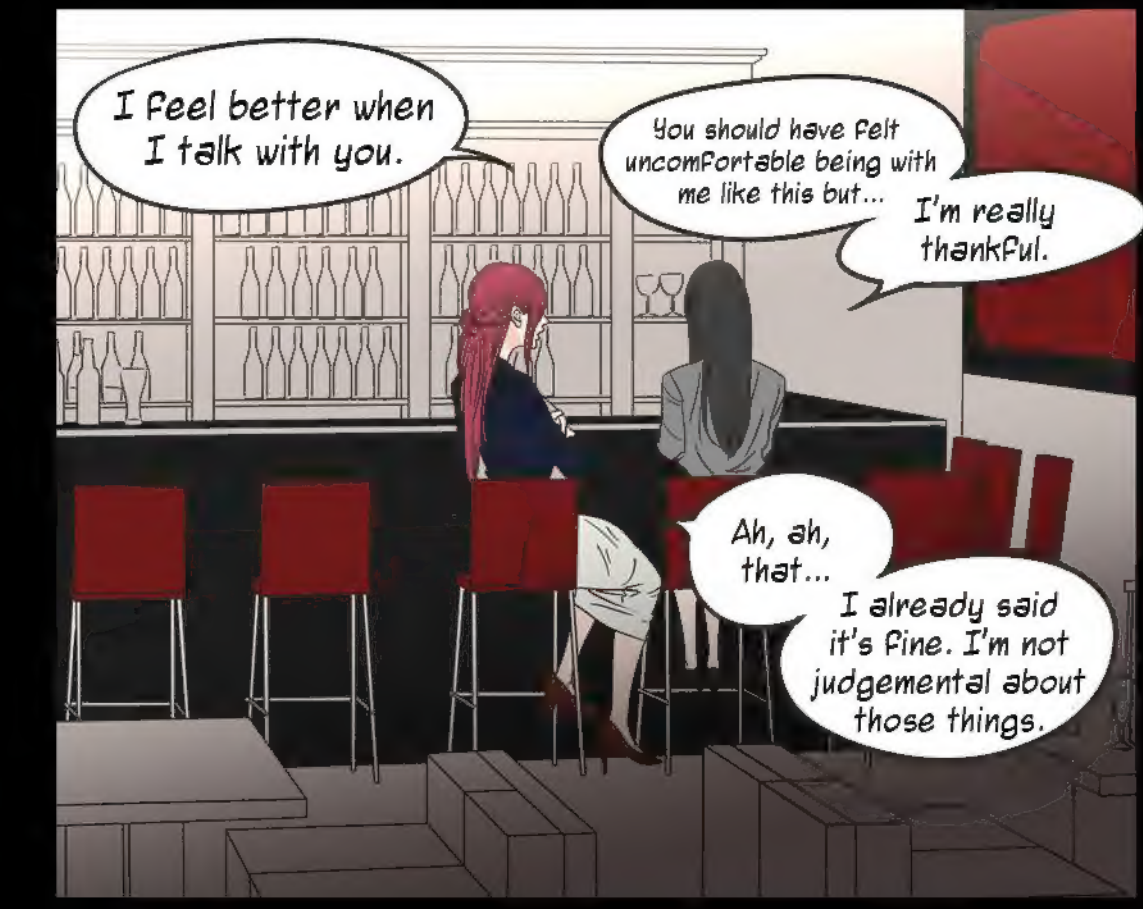


Mm...So...

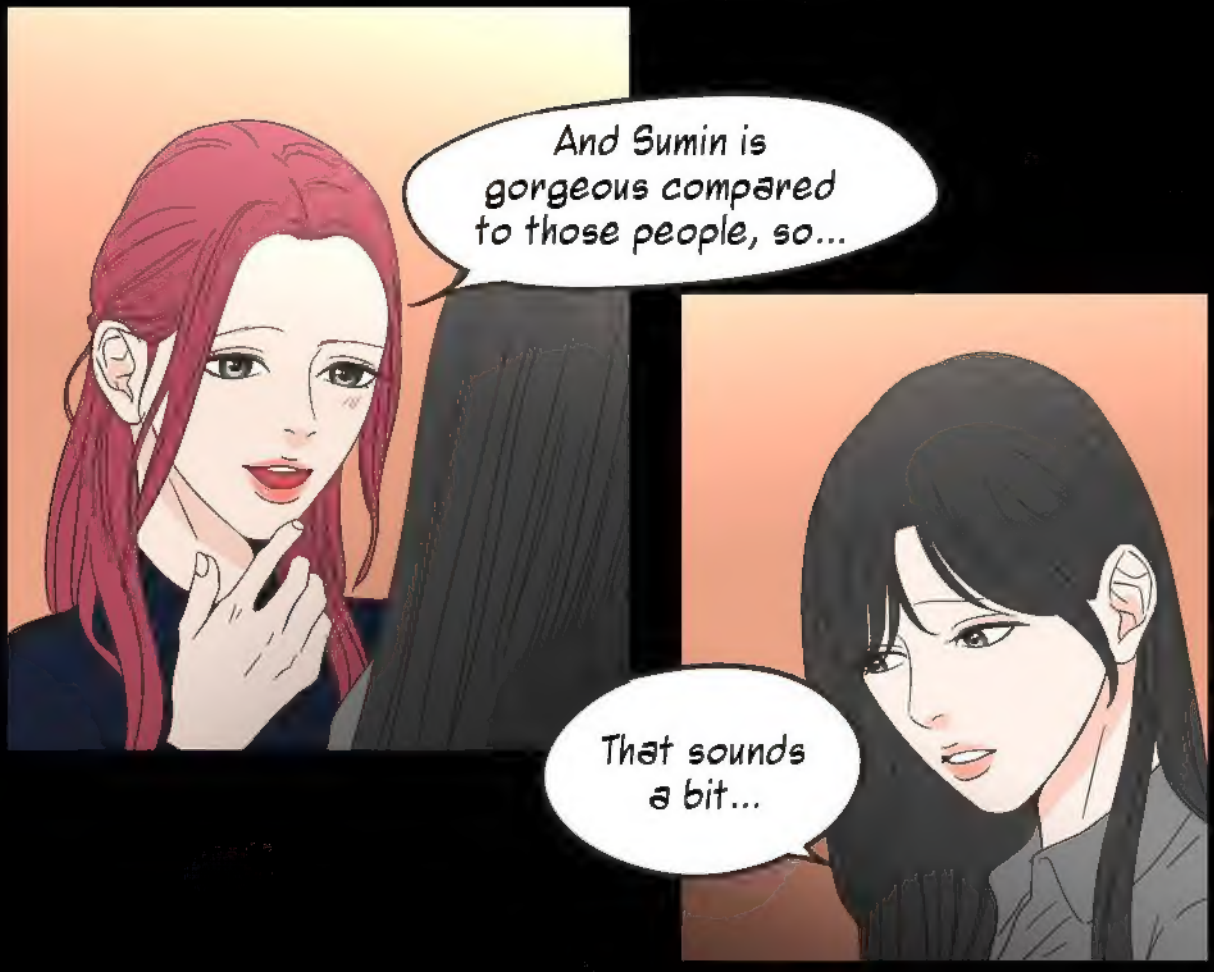
Sorry...
This kind of story must have made you feel troublesome.
No, no. If you can rely on me, it already makes me happy.



Since Sumin is capable, there wasn't anything I could help with.



I feel better when I talk with you.
You should have felt uncomfortable being with me like this but...
I'm really thankful.
Ah, ah, that...
I already said it's fine. I'm not judgemental about those things.

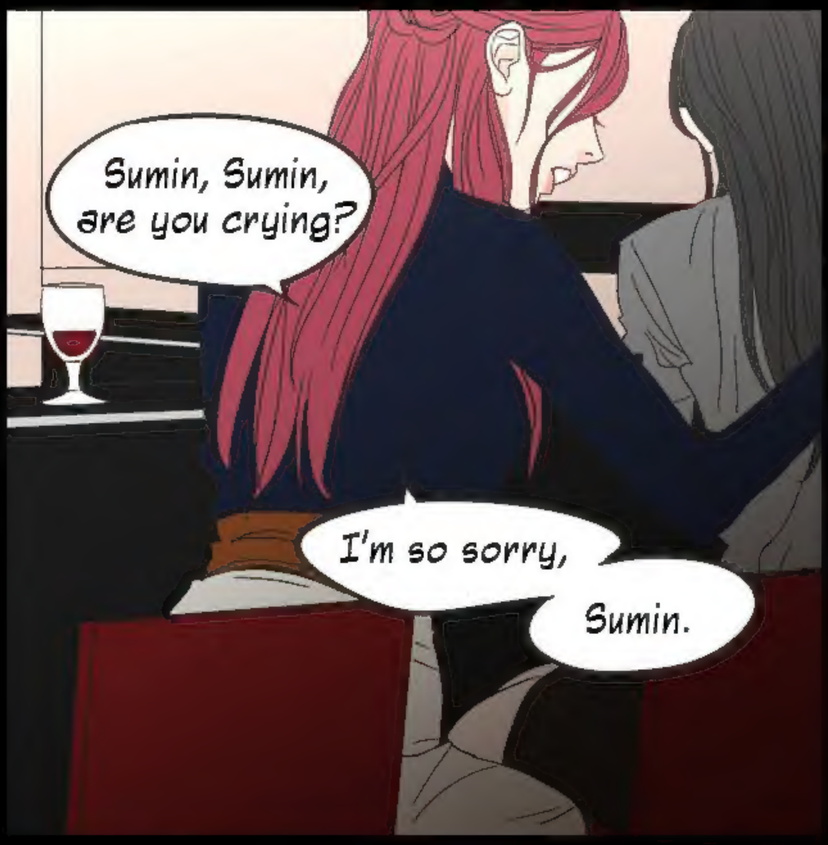


And Sumin is gorgeous compared to those people, so...
That sounds a bit...

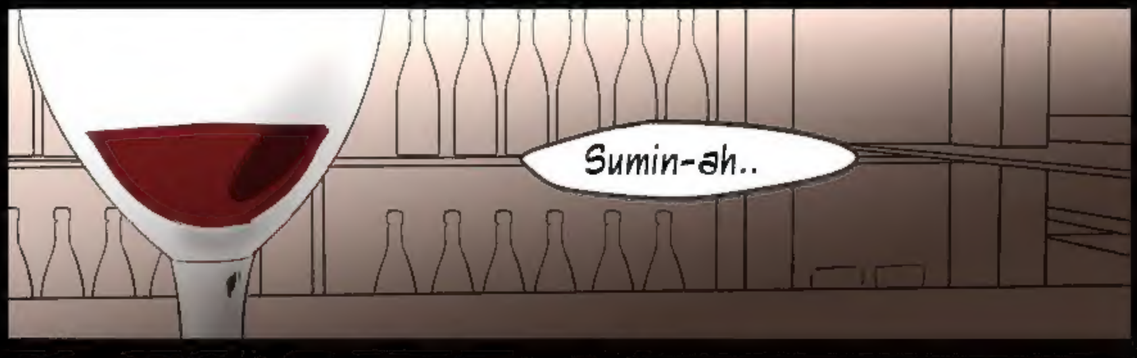
Ah, sorry.
I'm not familiar with those...
That was too impolite...

...

Those, those people. They just seem so distant from you.
Ah, I mean, I don't mean that..



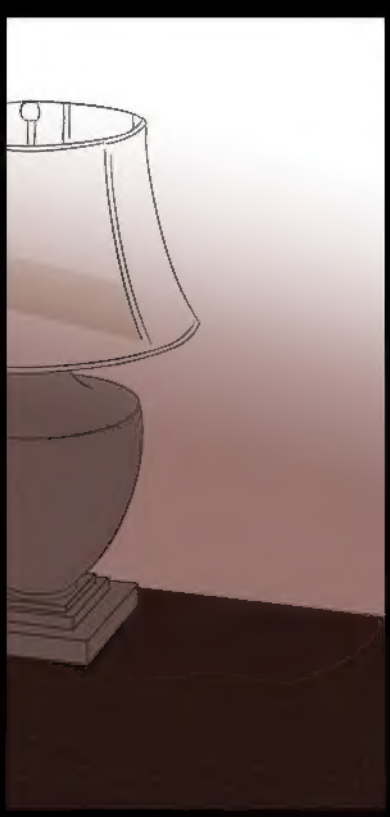
Sumin, Sumin,
are you crying?
I'm so sorry,
Sumin.



Sumin-ah..

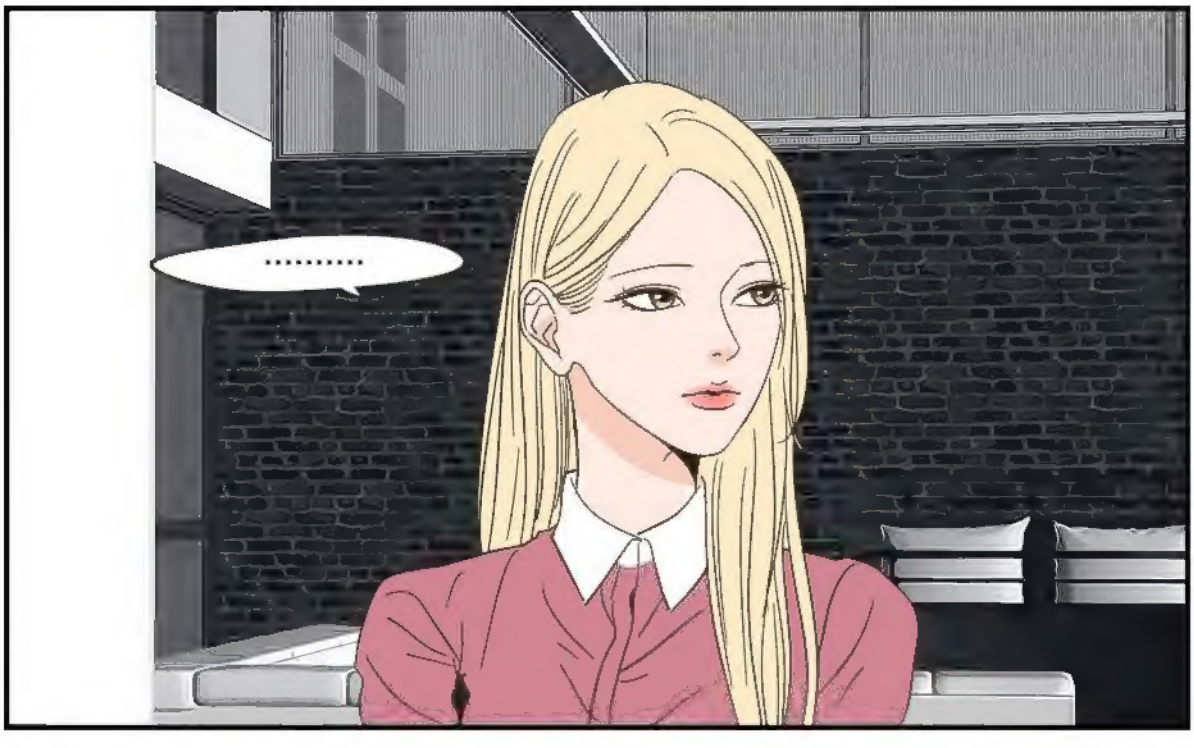
Sumin..

Manager.



Did you cry?

SIZZLE



.....

Her home is huge...

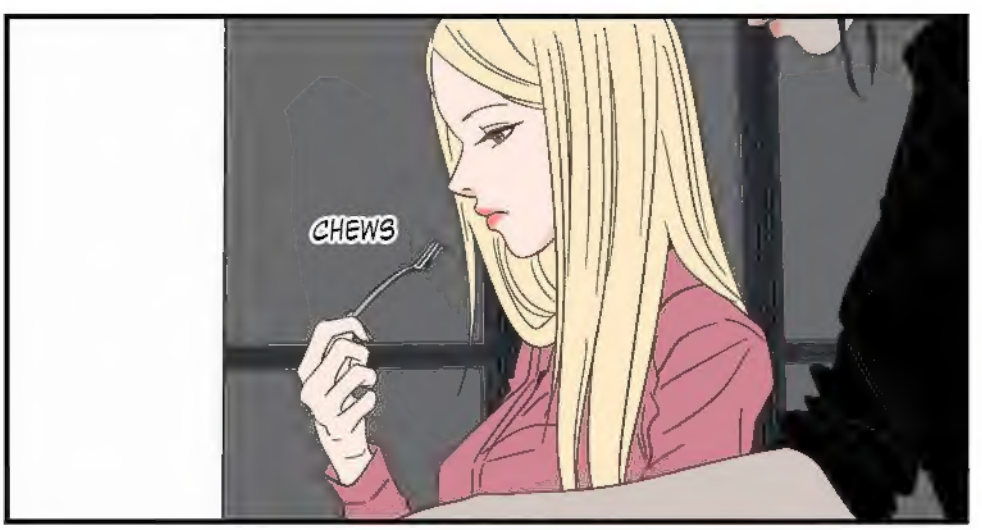
Hm...

Hm... Her home doesn't have a tv in the living room...

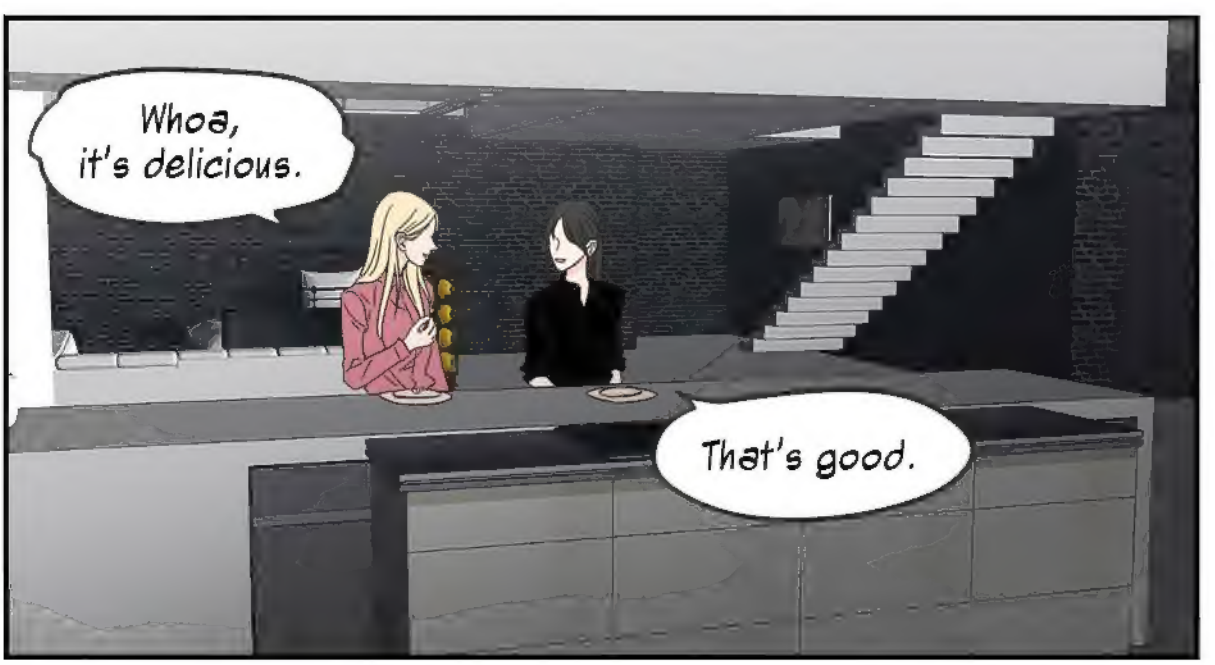
I haven't bought groceries for while, and the fridge doesn't have much either.

PLACES

I just took whatever is left. I'm not sure if it fits your tastes.
I will enjoy it.



CHEWS



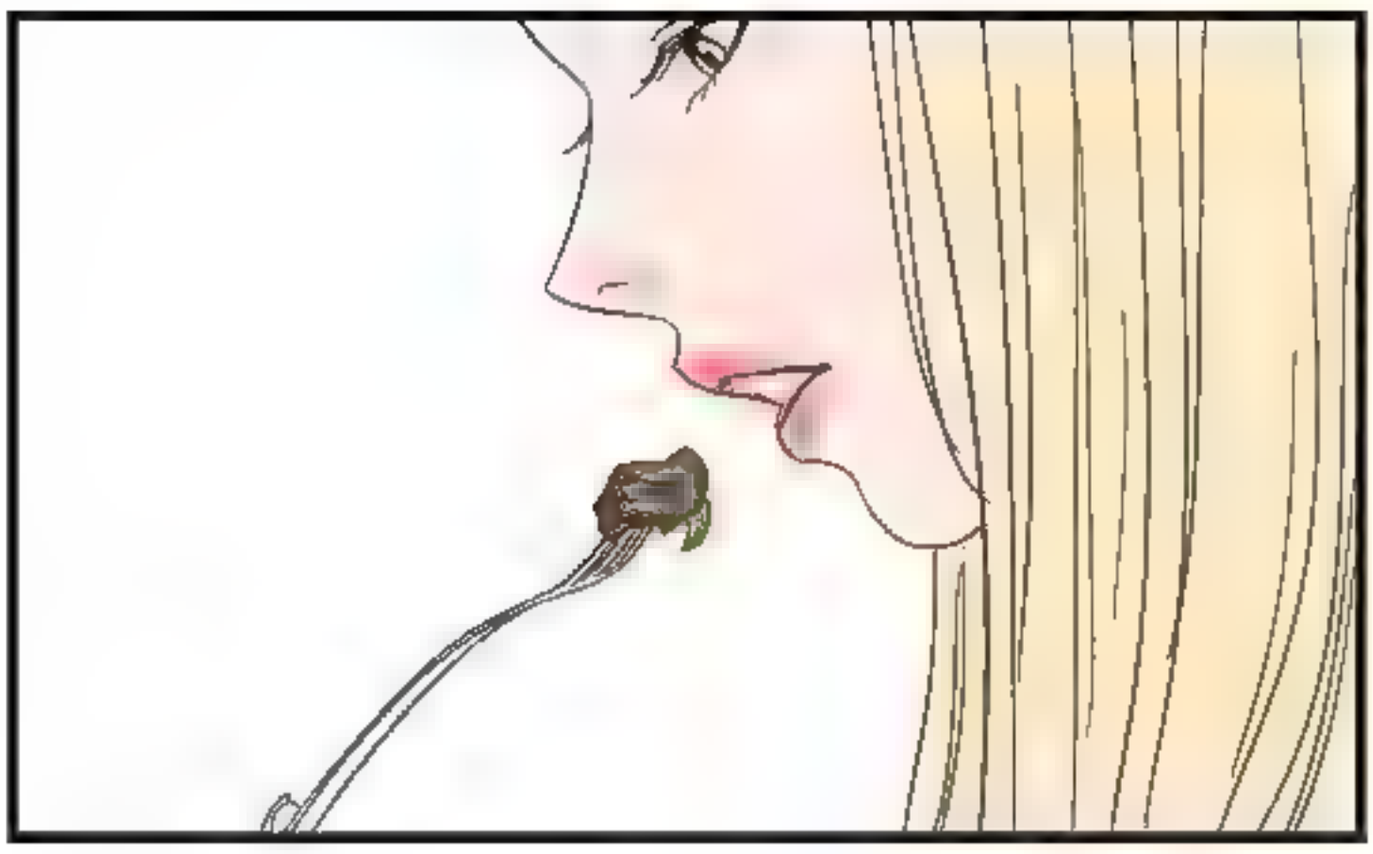
Whoa, it's delicious.
That's good.

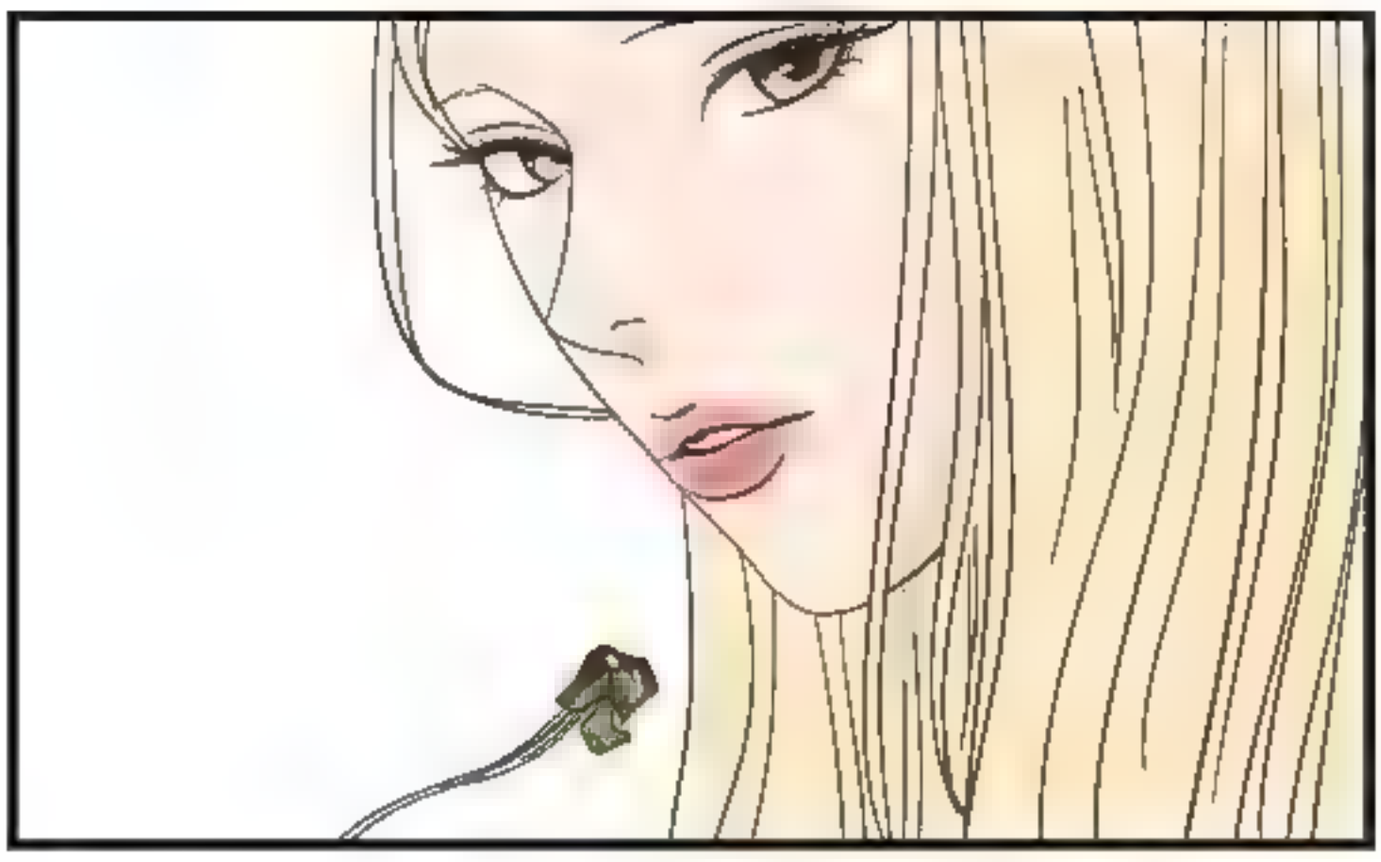
Manager, you know how to cook?

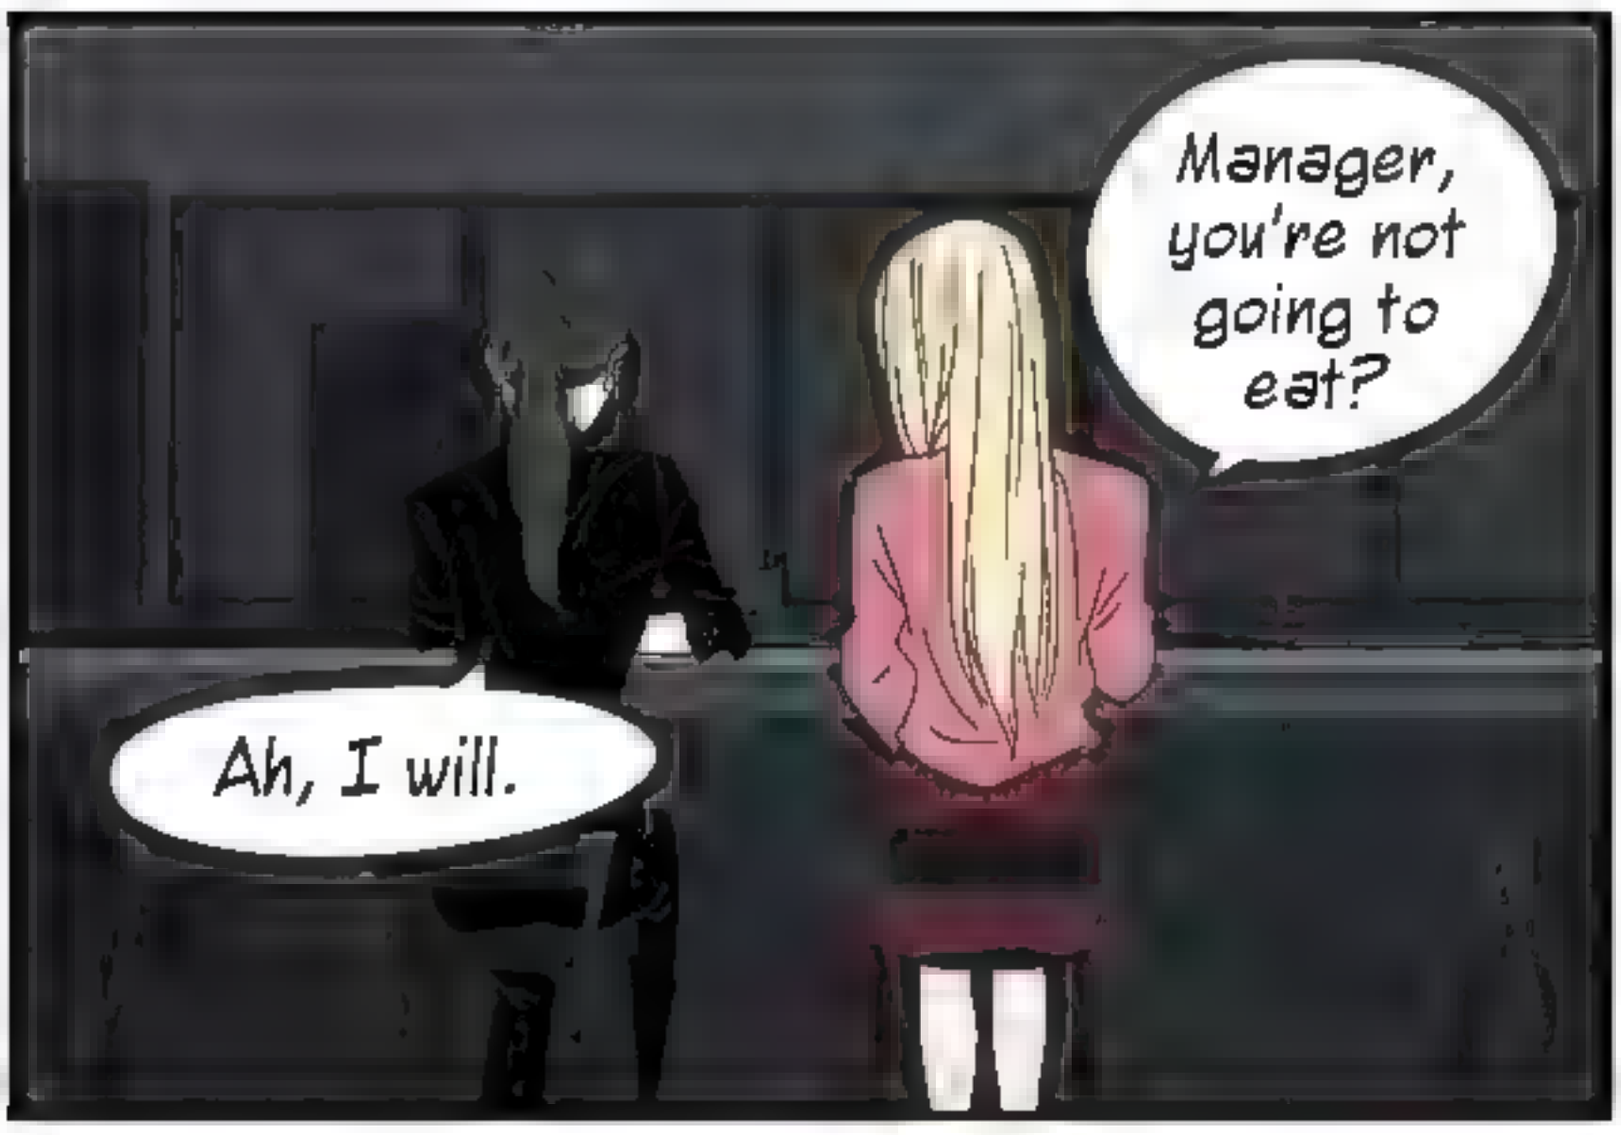
It's at least edible, I've been living alone for a long time.

Ah...

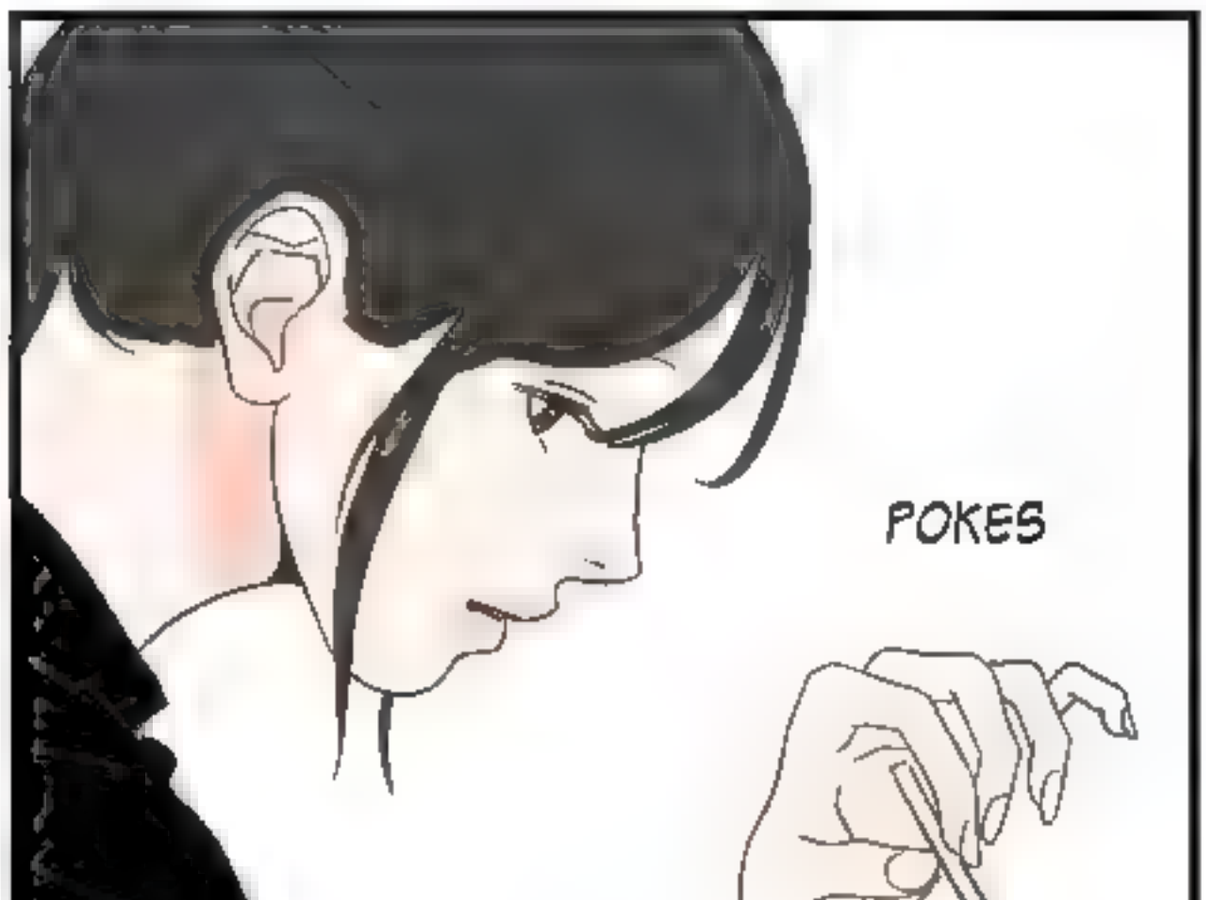
TAK TAK



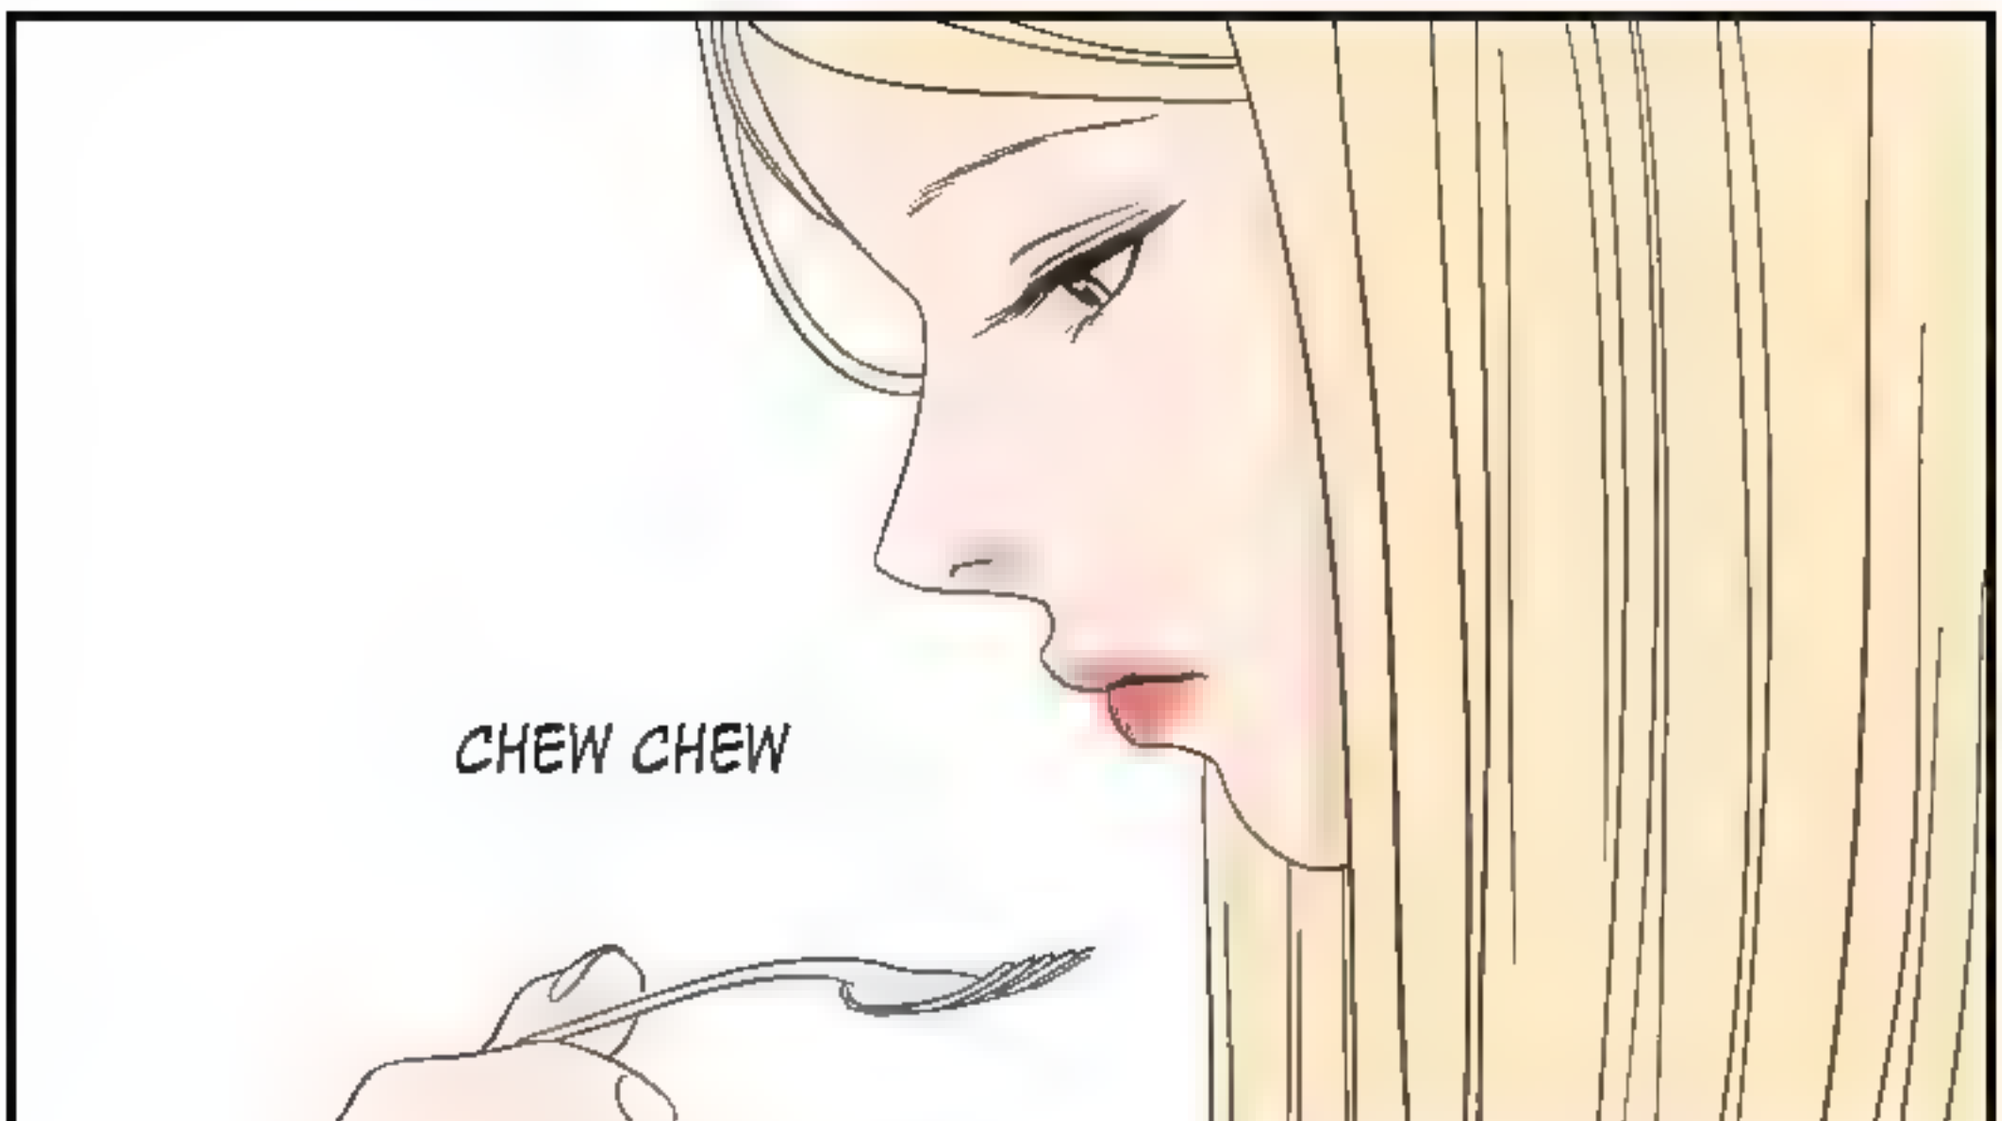




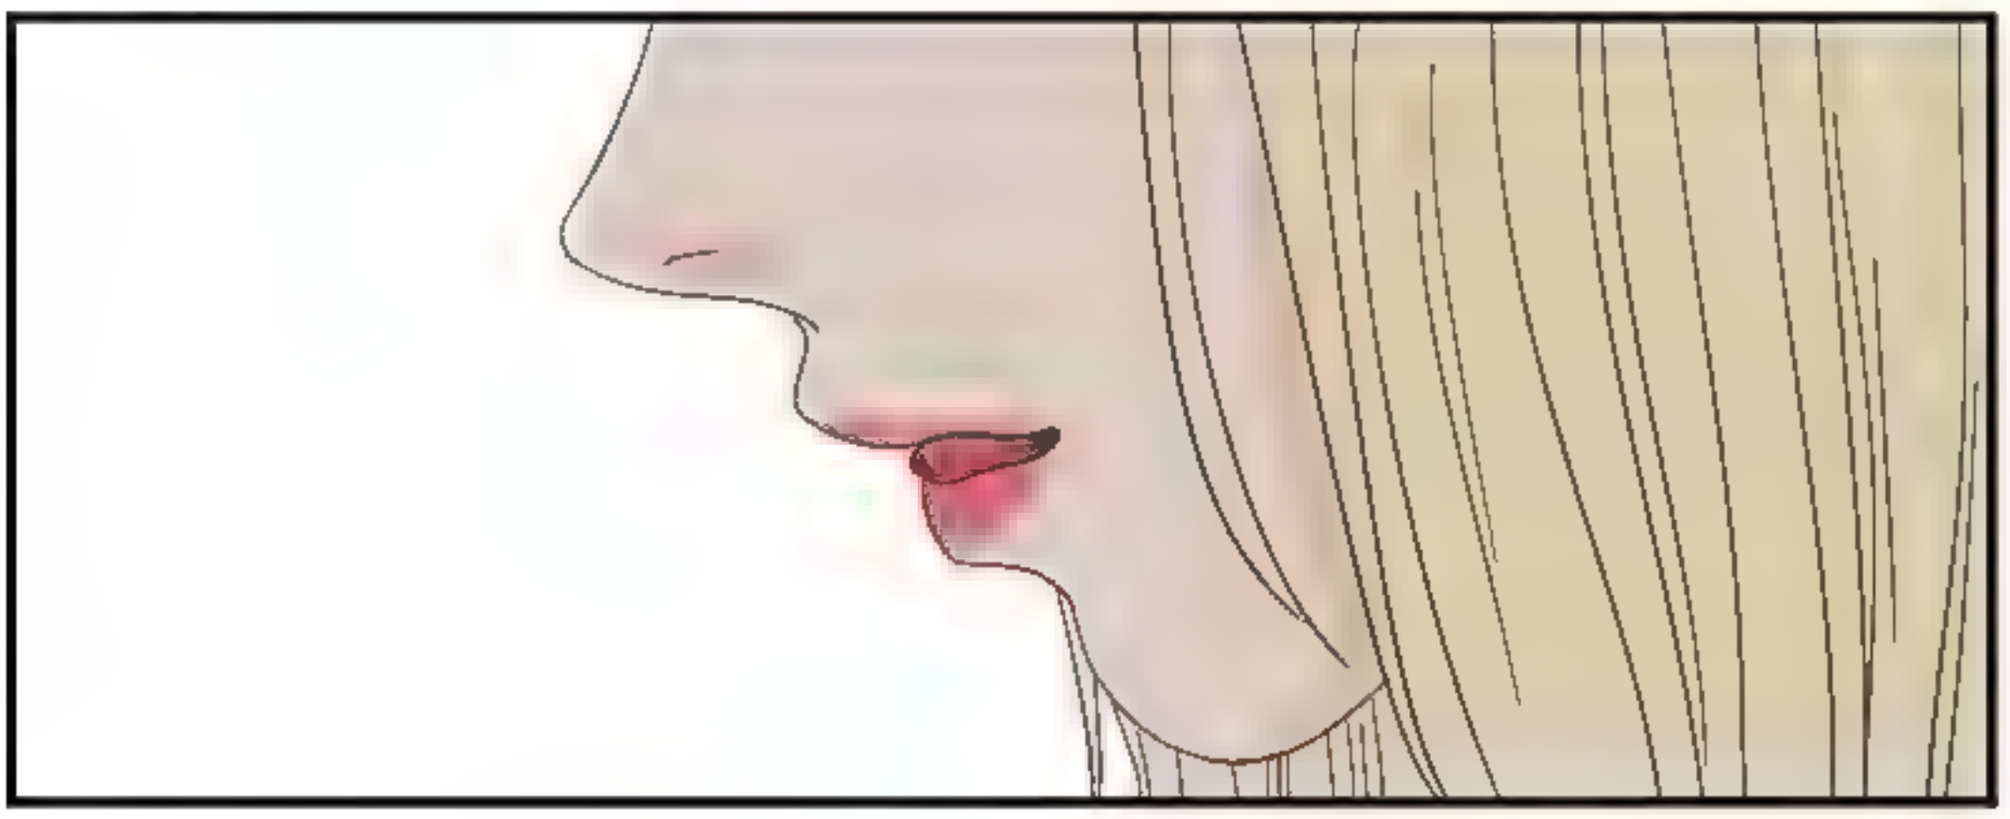
Manager, you're not going to eat?
Ah, I will.

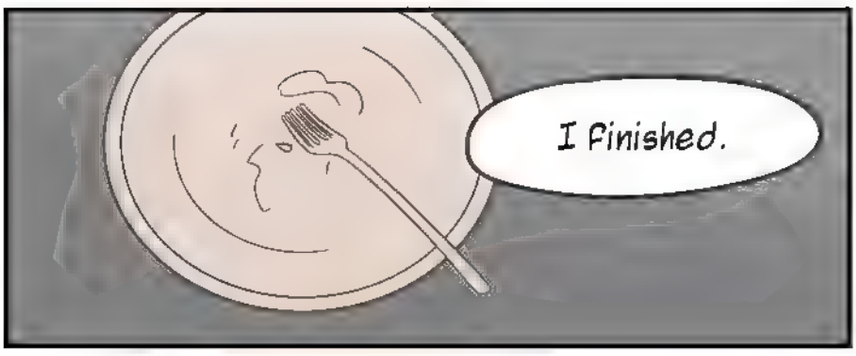


POKES

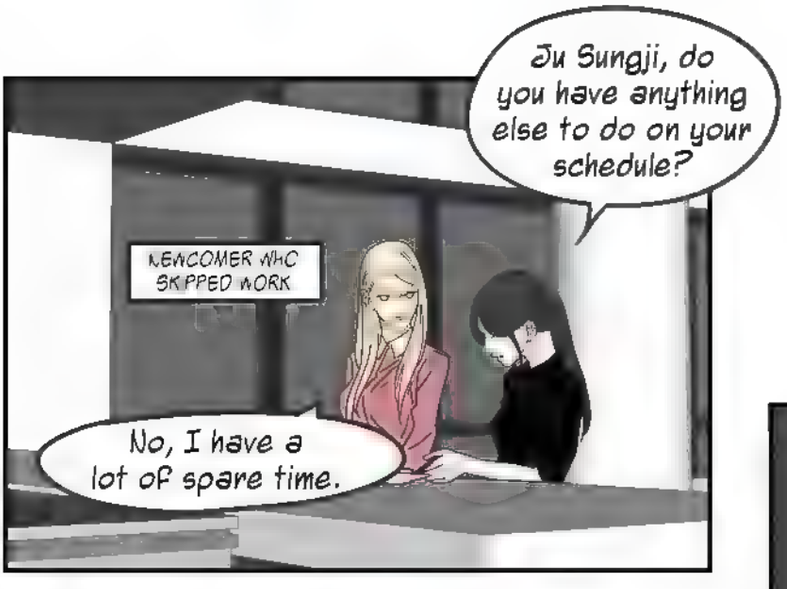


CHEW CHEW





I Finished.

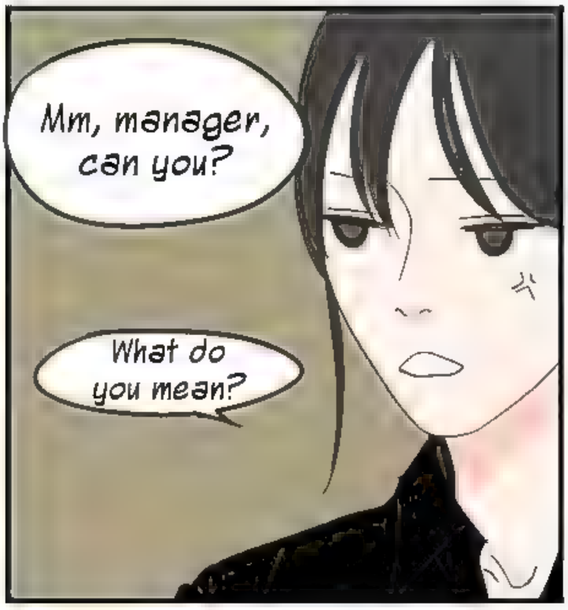


Ju Sungji, do you have anything else to do on your schedule?
NEWCOMER WHO SKIPPED WORK
No, I have a lot of spare time.

Then can you stay for a while?

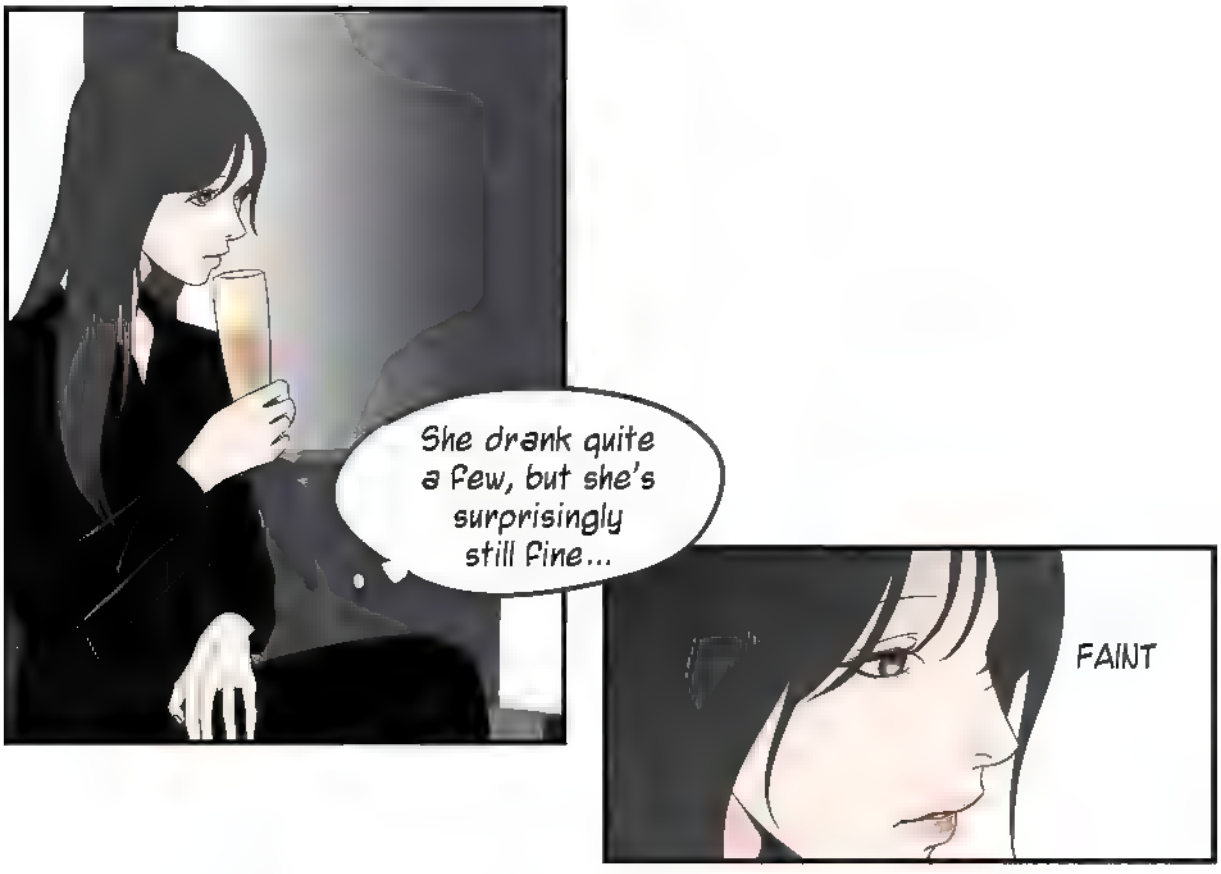
Um... A day like this, being with someone else, is my first time.

Ah, fine, its okay.
Then would you like a drink?



Mm, manager, can you?
What do you mean?

Did you know there's a squash court in the company building?
Did you ever go?
Of course. I asked for it to be built.
Ah...

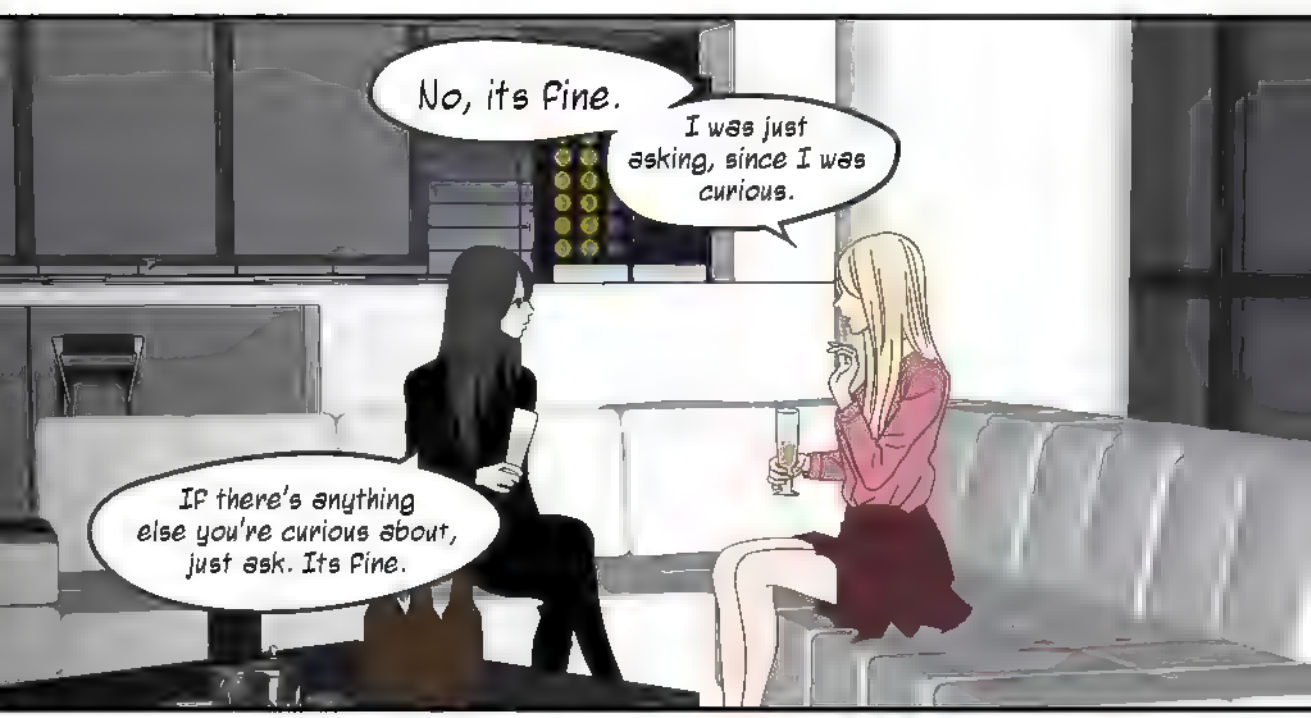


She drank quite a few, but she's surprisingly still fine...
FAINT

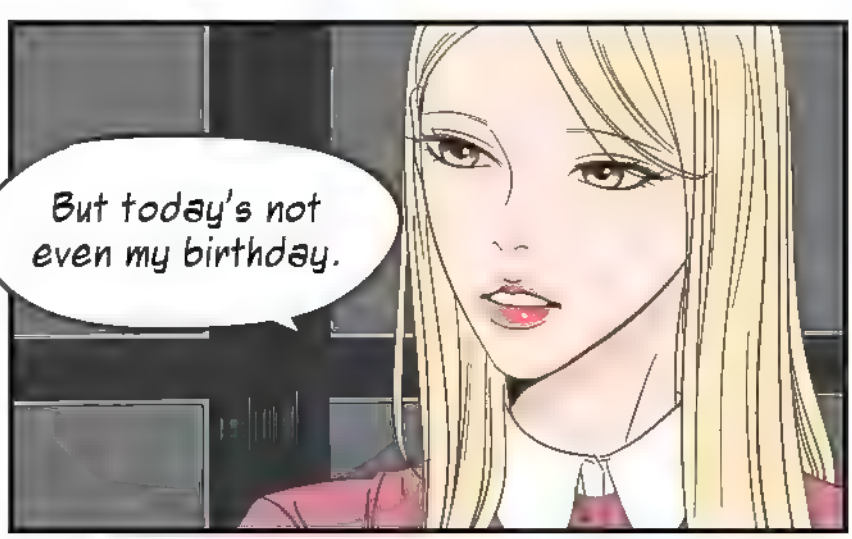
I can't drink much more.

The apartment's quite big. You didn't add a master bedroom?
It's fine. This way, the room can be used as a study room or storage room,
and I don't have many guests coming over.
Looks like theres not even a TV.

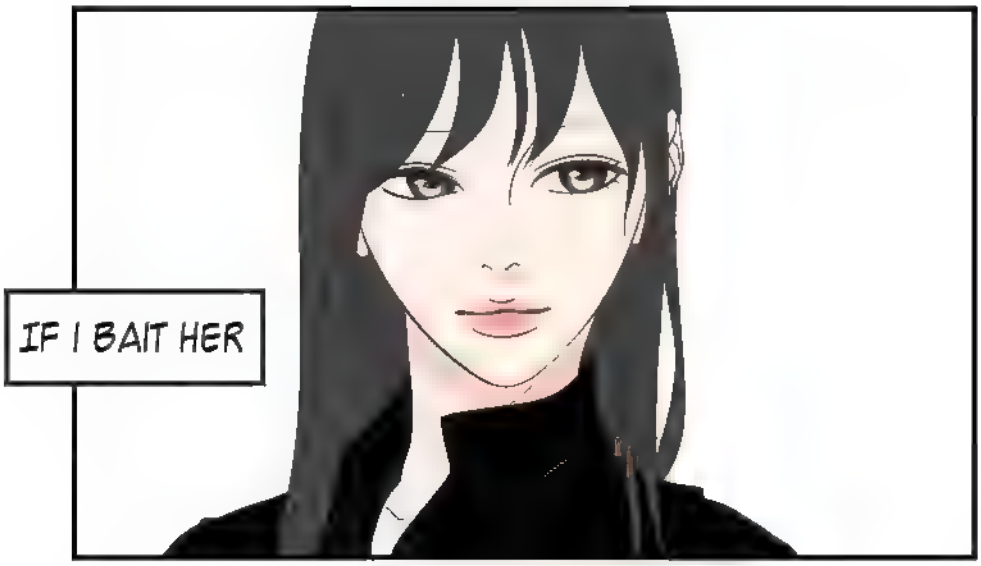
I only watch the news anyway.
I have a cinema too.
Whoa... A cinema.
You want to take a look?



No, its Fine.
I was just asking, since I was curious.
If there's anything else you're curious about, just ask. Its Fine.

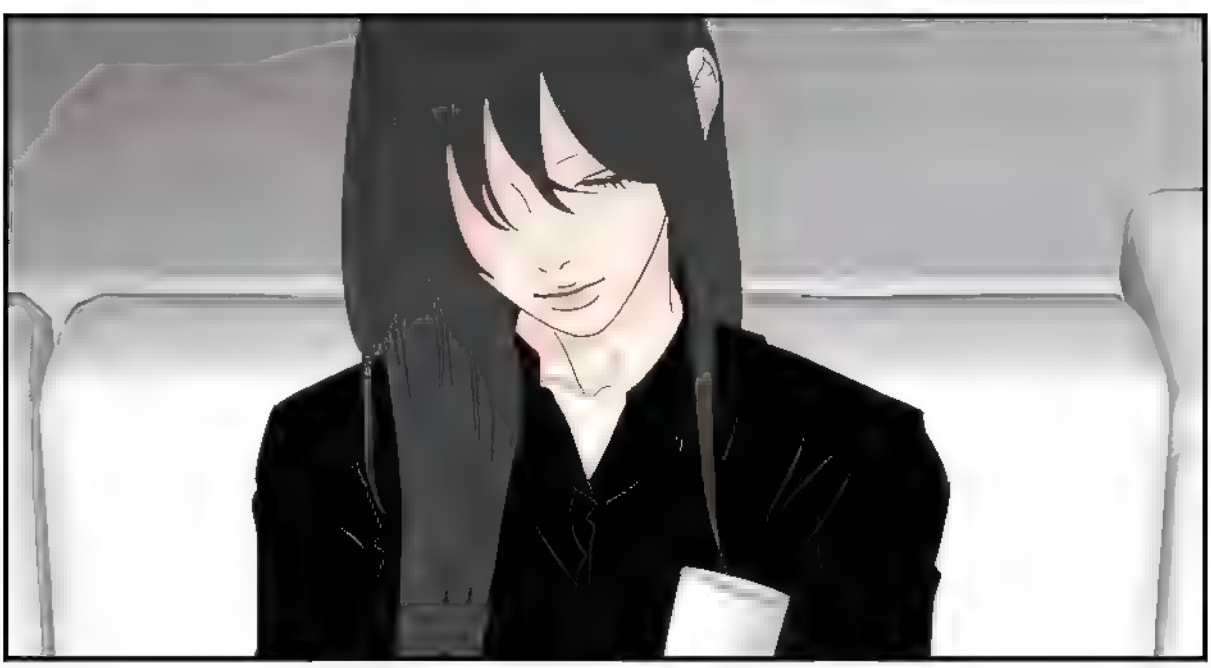


But today's not even my birthday.

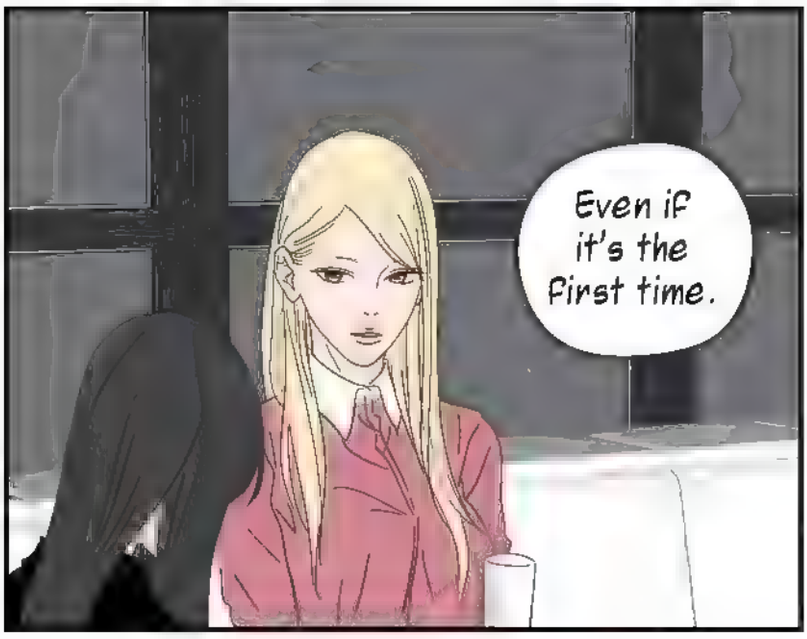


IF I BAIT HER

WILL SHE
TAKE IT?

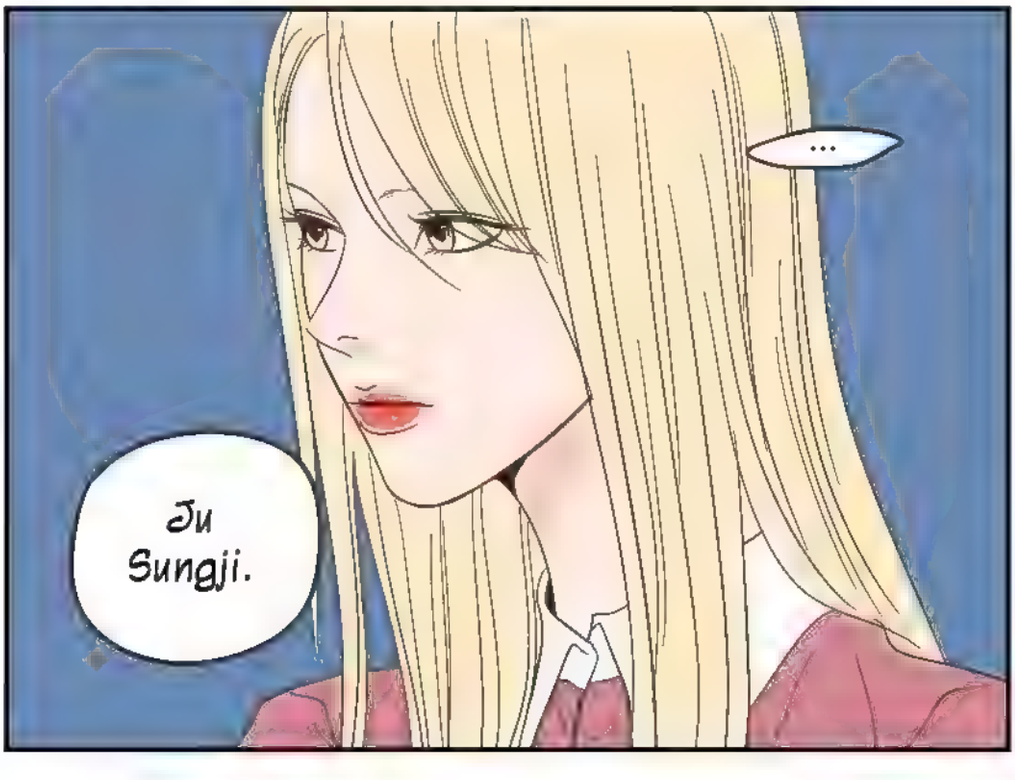


Even if its been a long time...
Days like this, I still feel depressed...
Even if its a personal matter,
If i feel down because of this and mess up, then I wouldn't be able to face anyone.
So i was always alone.
Spending time today, talking with someone. It's really the first time.



Even if it's the first time.

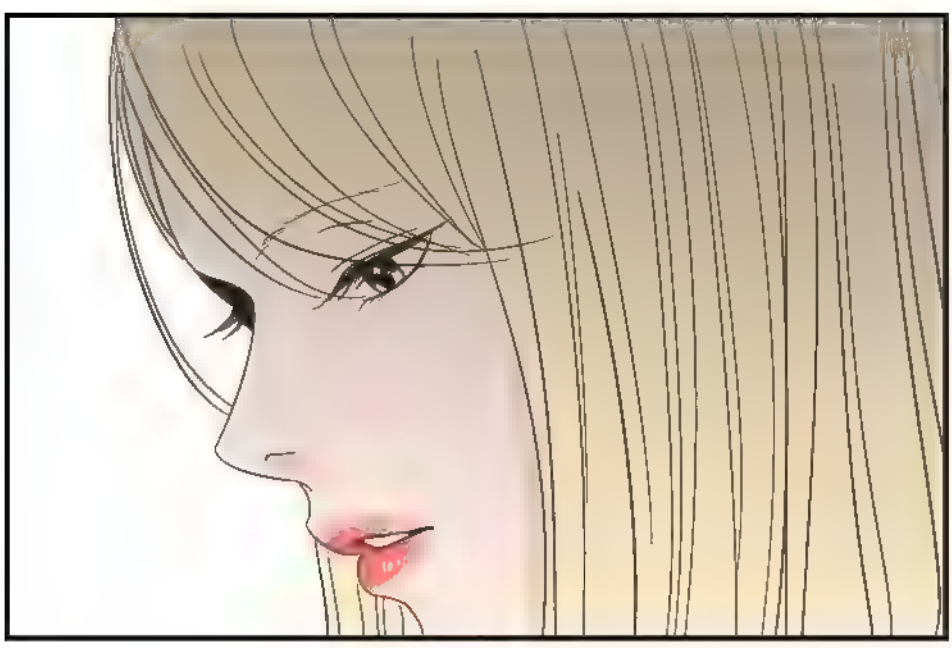
It's actually not bad at all.



...
Ju Sungji.

If theres anything I can do, tell me.

If theres anything you're curious about, then ask me.



Th-then,

What games does the manager like to play?

I don't really play that much games..
HA...
Ah, really?

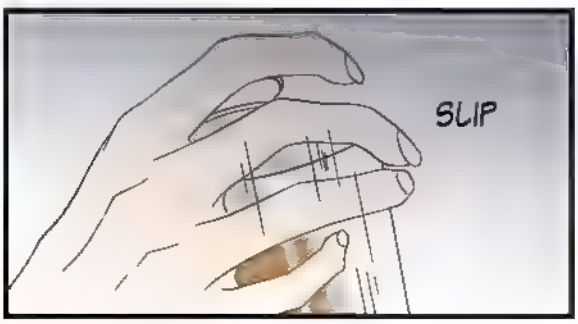
I was sure that you'd like games,
because its a video games company...

Managing the company is a different matter.
I'm only an observer when they develop it anyway.
Then...

I have a lot of wine stored up. Would you like more?

... then it happened.
It was a complete accident.

Sorry, it's really not anything tragic,
and I keep talking about it...



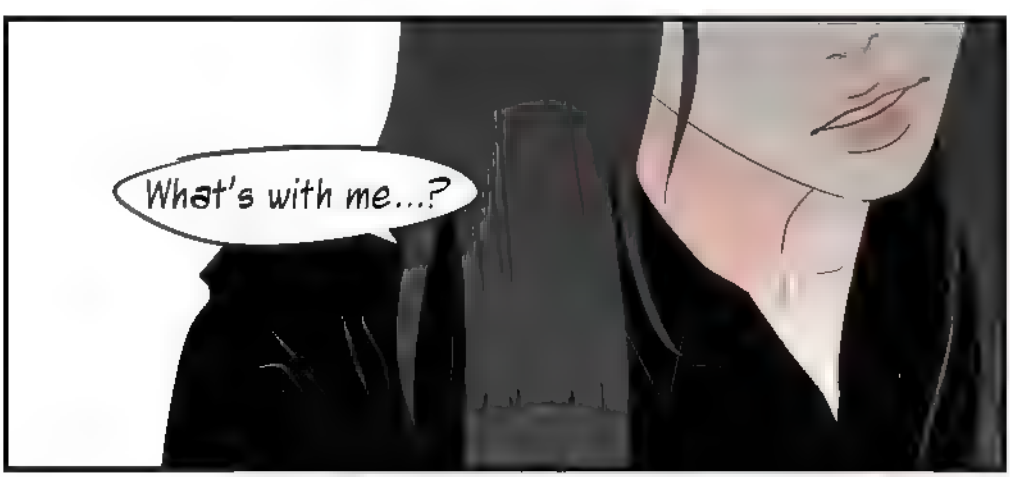
SLIP

Be careful.
Ah, sorry.

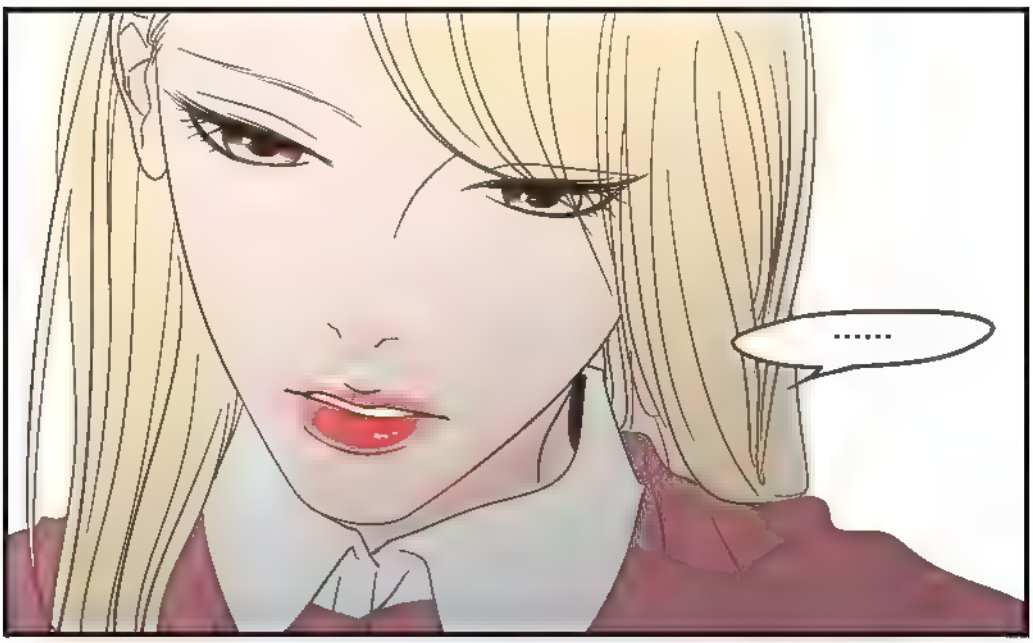
I'll take care of it.
Just leave it.

Do you want some champagne?

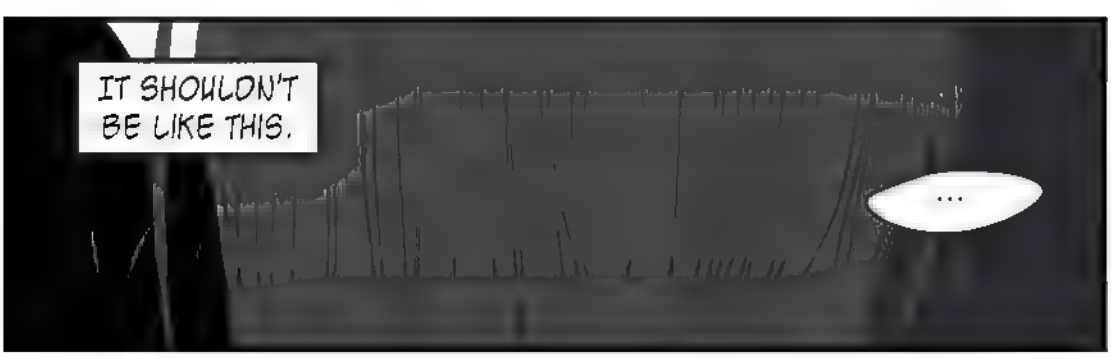
No, you already drank a lot.
You should take some rest.
I'm fine.
Don't push yourself.



What's with me...?

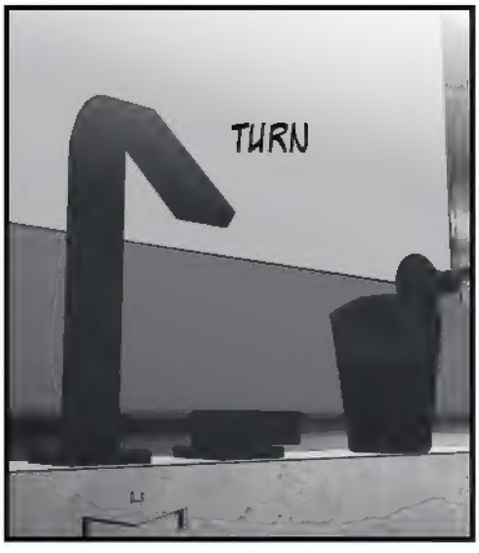


.....



IT SHOULDN'T BE LIKE THIS.
...

I know. I'll go freshen up a bit.



TURN

AND I DON'T KNOW WHAT THIS FEELING EVEN IS
